\* Ferias are those dates where there is neither feast nor fast.

On those occasions, the Daily Office along with its appointed readings will serve as the Liturgy of the Word at the Holy Eucharist. In observing Lent and the 40 days of fasting, most weekdays are observed as ferias, superseding lesser feasts which are commemorated by the addition of the proper collect but without change of color or lessons. Ember Days, as days of fasting themselves, as well as Major Feast Days are observed as normal.
